CHS	It's April 21 st . Ugh, man. Are you getting me down here? I don't usually get under the bunk until at least 12. Que barbaro ese?
Herrera	(UI)
CHS	It was a long night last night, buddy
Herrera	(UI) bro
CHS	Uh?
Herrera	(UI)
CHS	What?
Herrera	(UI)
CHS	Who?
Herrera	About Bandit but the thing is, the feds are all fucken watching and then they were fucken blaming me for that shit. So I haven't been able really discuss stuff, you know what I mean?
CHS	What shit?
Herrera	About my brother
CHS	I don't think, I don't think...(OL)
Herrera	I have a feeling...(OL)
CHS	I don't think they're blaming you for that
Herrera	Danny did it, eh
CHS	D- what?
Herrera	He did
CHS	Danny blamed you?
Herrera	He got a feeling nah
CHS	I don't think so
Herrera	He had to. He was the last with him. He was going on Cruz shit. See...(OL)
CHS	But okay...(OL)
Herrera	(UI)...(OL)
CHS	Look it matters what the autopsy says
Herrera	Alright the autopsy, is they determine that an overdose...(OL)
CHS	Of what?
Herrera	Of Xanax
CHS	Okay
Herrera	There was morphine in his system and a little bit of, supposedly, I don't know what else, heroin or coke
CHS	Short...(OL)
Herrera	(UI)...(OL)
CHS	Shorty's...(OL)
Herrera	(UI) done chiva.
CHS	Shorty's not stupid, a little vato like Danny how

	would he get over on him
Herrera	See that's the thing with my brother
CHS	Danny's a hang around
Herrera	I know Shorty's not, he's a paranoid fucker. He just doesn't even drink from somebody's cup. But this fucker went and bought a Gatorade and he stepped out and that fucker probably spiked it, eh. Either that, or he gave him a shot. And he ain't just going to, it was not the (UI) a shot, because the time frame that he left my mom's. See because this is another thing that's throwing me off. Okay, I know maybe, see he went on a mission the night before and Leanne's aunty passed away. So he went over to do fucken some transas with my mom. He gave her \$3,000, then she doesn't know what, how much money he had on him or how much dope he had on him. But he was telling my mom to give him a ride, my mom was busy, she told him hold on
CHS	Oh and then she...(OL)
Herrera	(UI)...(OL)
CHS	She came back and found him?
Herrera	No. So he was in a hurry, nah? So she split from my sisters pad, that's where, there was (UI) Mariano was doing the cuenta cutting up the rope. So then I-I Huero must have went over there to pick up. Okay, so Shorty was trying to get a ride with mom to go back to his pad. But my mom was busy, but he told my mom don't worry about uh, my homie here will give me a ride, nah? Okay. So he went to his house. I don't know what stops he made, where he made, went or whatever, but Huero was the last fucker to see him alive. Okay? So if he went to the pad, to tell (UI) or the aunty or one of them of them, found him all like, like, disoriented. He wasn't feeling good. He wasn't himself. Now my fucken uh, and supposedly, she was telling him "come on Johnny, come on, come and lay down, you're all fucked up bro". And he went to the restroom and he kept throwing up and-and supposedly his Ruca says that there a little bit of money on the floor. And she doesn't know how much money he had, what dope he had, that, and that, when she went to the restroom there was throw-up on the floor. And I asked, well what was it? Blue shit. So I thought maybe somebody went and gave him some morphine. Blue Morphine. They gave him blue morphine. So she told me. So what did it smell like? She said it smelled like Gatorade. But this is where

	they fucked up. They didn't pump his stomach. They should of did uh, what do you call to see what he had in his system, for the stomach...(OL)
CHS	Oh for the autopsy? They didn't do that?
Herrera	They didn't do it. Not that I know
CHS	Of course they did...(OL)
Herrera	I don't know if they did...(OL)
CHS	That's, that's part of their...(OL)
Herrera	That's the thing...(OL)
CHS	That's part of an autopsy, bro
Herrera	But see that's the thing, I haven't really been able to go throw rollo with this fed shit, eh (UI)
CHS	Yeah, you should be able to find out without worrying about the FEDS shit, I mean, your mom should be able to find out...(OL)
Herrera	His Ruca, his Ruca, now with the homie just got out Gerbil. They're on him already, nah? That fucker already rapped to them, that fucker does good out there eh...(OL)
CHS	Who's that?
Herrera	Gerbil
CHS	Which one is Gerbil?
Herrera	My little homie
CHS	I don't know
Herrera	There's a lot of fuckers out there, not only that. My other little homie got out the fed
CHS	Where are they from?
Herrera	From my barrio, from 18 street. They're-they're my other little homie just got out of the Feds to bro. And Danielle likes the (UI) homes, but she's (UI)
CHS	Is Gerbil doing good out there?
Herrera	Yeah, he just barely got out, eh. But I haven't been able to get at him because he's fucken peeps here, eh. and I'm on (UI), I can't even call no one
CHS	You shouldn't have to get at them. You should just ask his Ruca to (UI) his Ruca she should be able to have access to uh, autopsy and what was it...(OL)
Herrera	Well she's on it, I rapped to him when he was in Cruces. Bro. I was able to rap to him real firme, you know. And he told me, no shit bro, (UI) and that fucker, she's just waiting. Cause see, he needs to (UI) it's just that uh, and this is another thing too. Alright. My brother real bad was talking about death, a
CHS	Talking about what?
Herrera	Death

CHS	Death?
Herrera	Yeah, I don't know if he was sensing it, or what, but he was telling his Ruca how he wanted to go
CHS	(UI)
Herrera	And uh, the way to do that in the day time, it just didn't add up eh. Then not only that, another thing. Supposedly uh, he had some fucken mass in his head, nah. That he was ready to die. That I don' know, if was a brain aneurism or-or what do you call with his brain
CHS	Cause if-was that...
Herrera	He told them, that if, whenever he dies, he dies, there's nothing you can do for him
CHS	Did he have that?
Herrera	Yeah
CHS	For sure, you know that? you know...(OL)
Herrera	Here's the thing...(OL)
CHS	You know that for sure?
Herrera	I don't know for sure
CHS	Well, you should know, he's your family
Herrera	My mom, my, he kept it as a secret and that's what he told his Ruca
CHS	Oh, that's part of the autopsy too. You should have all the, all the autopsies I have it tells everything
Herrera	Then I have a home girl. Remember that Ruca I was telling you that's a nurse? And I was going to fucken get at her and have her look over that autopsy. But I don't trust her
CHS	Where she at?
Herrera	I don't want to go asking things like that, with these fucken FEDS already
CHS	Why not?
Herrera	Huh?
CHS	Well why not? That's-that's not nothing suspicious. That's-that's uh-uh a family member, a brother, a sister, a mom, there's nothing suspicious about trying find out what they died of on the autopsy. I mean, it-it says cause of...(OL)
Herrera	(UI)...(OL)
CHS	It says cause of death...(OL)
Herrera	(UI) homie, I'm sure the homies fucken listening to a story. Then another thing, is that I didn't trust her fucken butch, I didn't trust him either. I have to (UI)
CHS	Before your homies starts to checking on dudes and

	all that, he needs to get an accurate thing of the autopsy. Then you go from there asking the questions
Herrera	But I don't think Danny would do that to me, eh. I've known him since middle school, I went to school with him and Kasey I've known him forever. You know what I mean? I don't know, eh...(OL)
CHS	He just, yeah. I don't think he would do nothing
Herrera	And then to top it off, it doesn't seem like, if you're going to do something like that, lie or something. But just, if he would of went over there, to pick him up...(OL)
CHS	Was it during the day?
Herrera	It was during the day, and-and see, it was even they calculated, (UI) because the vato would of, he probably would of called the vato, my brother. He would have say, hey what's up, let's go meet or let's go kick it. He wasn't expecting to give him a ride. He didn't even like, in other words, give me a ride to (UI) he was in a hurry. That's why he told Shorty give me a ride, let's go, because I know he was probably wanting a fix. He was probably (UI) because he just picked up
CHS	What was your brother doing with someone like Danny that's like on the street?
Herrera	My brother was like that. He just would, you know, cause, I've known him forever and he knows all my friends. We went to school together, always kicked it and I fucken uh, looked out for him. He was like Chris, eh
CHS	But...(OL)
Herrera	I (UI) everybody. You know what I mean? Kind heart, eh
CHS	Yeah
Herrera	These fuckers (UI) fucken give him something, you know these fuckers sit, (UI) you know what I mean?
CHS	Yep
Herrera	But the way it was planned, the way it wasn't a planned out thing, cause that's what (UI) the vato went over there (UI) he gave him a ride home. Not only that he went home right away, it was like fast. But when she got there, well I guess his Ruca got there because she said that she had just talked to him. That they were already punching it to the pad, because she was already mad at him. Now, this is another thing, I know, this is the that throws me off too, because he was fucken, I know he was getting high. He was probably getting high with

	Huero and he needed to calm down. And supposedly this is the rollo I heard, my-my wife told me. When I was in Cruces, that she said that my sister gave him some pastillas okay. I know that carnal. He had a complejo. He's fucken tweaking, his Ruca is already fucken pissed off at him, (UI) Ruca trying to hide it and shit
CHS	Yeah
Herrera	So that's the way my brother was, he was on this shit, he was trying hide it and he took some fucken Xanax and took too much, and when that fucken soda right now, that shit hit him, eh. Boom. (UI) Because, he was fucken, all her family were going to the pad
CHS	Well than, you got it all figured out then, why are you looking at Danny?
Herrera	Because
CHS	I mean, you said it all right there
Herrera	I know, but see I don't know for a fact. You know, couldn't live with that. I'm going to live with that. I-I with this, I've got to rap to him.
CHS	Well that's how we always fuck ourselves up...(OL)
Herrera	(UI)...(OL)
CHS	That's how we always fuck ourselves up, doing things like that when we're dru, when we're partying...(OL)
Herrera	Bandit...(OL)
CHS	Or trying to party...(OL)
Herrera	Take them to a place, grab their chainsaw, tie them up its scary eh. And that fucker said, yeah I did, no I did. Who told you to do it?
CHS	With a chainsaw?
Herrera	Nah, whatever, Danny or someone. It's going to come out again. He's going to slip eventually, he'll fucken slip, it's going to come out. And whoever told him to do that, it's on eh
CHS	He probably...(OL)
Herrera	(UI)...(OL)
CHS	You start the chainsaw and he'll talk right away
Herrera	I just want to know, I just, if Danny did it or not, it's, rap to him, I have to understand, where I'm coming from, homie. If it goes all the way, I got him. Fuck it, at least I know I killed him. And I know at least, there was doubt, there were never (UI) I would never live with it. He has to die, eh. and I want to know...(OL)
CHS	Have you got...(OL)

Herrera	(UI)...(OL)
CHS	Have-have you got a chance to talk to Danny?
Herrera	I haven't had a chance. I heard that supposedly he's down south. He's at the south, eh
CHS	That's his placaso they call Huero?
Herrera	Huh?
CHS	When did they start calling him Huero?
Herrera	That's been his nickname
CHS	I know, I know all (UI) kids and I don't ever remember them calling him that
Herrera	I guess, I don't know, that's Huero
CHS	When I was out there, he was just a little, less than, about 10 years old, probably
Herrera	I've known him forever, dog. I-I used to go to his pad and everything, that was my fucken buddy. I went to middle school with him, (UI) fucken, we went to (UI), nah? I've known that fucker since we were small, eh. And I-I-I don't think, you know what I mean?
CHS	Does...(OL)
Herrera	(UI)...(OL)
CHS	Does, does he any idea...(OL)
Herrera	(UI) Spider...(OL)
CHS	Does...(OL)
Herrera	But I never knew him like that, eh...(UI)
CHS	Has your homies already hit him up?
Herrera	No, not that I know of
CHS	Do they at least have his name?
Herrera	Yeah, fuck yeah. (UI) it's just a matter of time, right now he's locked up, he's going to show up, eh. It's going to come out, if he did it, it's going to come out. And-and if he starts hiding and showing they'll come over. But honestly (UI) I don't think, I don't think he did. Because, he-he-he fucken, he-he wasn't (UI) he wasn't, it wasn't a planned out because he was there for the (UI)
CHS	Like an accident
Herrera	And-and he was trying to get a ride with my mom, and Huero I guess said, fuck it, I'll just you a ride, so he gave him a ride, because he probably didn't want to ride with him, the car probably didn't have tags, and he had all kinds of weight on him, you know what I mean?
CHS	Yeah
Herrera	But, what, I guess he was throwing up. But this is another thing, I know my brother, I think he was

	forcing himself, these, I know him, because he's like me, he started to getting a complejo, he's tweaking, he's sweating and then all the fucken familia is going over there punching it. Because Leanne just lost her aunty. I already know whose with him
CHS	He used to like do soda, a lot?
Herrera	Huh?
CHS	Did he do soda often?
Herrera	This is another thing that I found out. Speedy told me, fucken Frank, no
CHS	Yeah
Herrera	He told me, serio Lazy, that Shorty took a lot of Xanax
CHS	You know what?
Herrera	He told me too, he says...(OL)
CHS	You know what that reminds me of? Toby Romero, he took a lot Xanax
Herrera	That's the most dangerous thing, eh
CHS	And then
Herrera	See, and when I found out (UI) too, nah. And then, these are the homies, nah, youngsters from Burque, a youngster, a gangster from Westgate, he told me that-that rollo they were hearing on the streets and my homie Gerbil and them (UI) eh. Because I'm the one that buying it, all the little homies from Burque, they're like fuck no, chale, something happened. Then all that rollo's getting served, then my mom's looking at me, like if I did something. Then they go and found supposedly, camarada fucken Danny, then all eyes were on me, eh. That's why I told my mom, fuck-fuck no
CHS	Danny's a carnal
Herrera	Es que home, fucken saying it
CHS	Whose name does he mention?
Herrera	Huh?
CHS	Whose name does he mention?
Herrera	I don't know that fucker is just saying (UI) I haven't talked to him in years. I haven't seen that vato since we were kids
CHS	He has to mention somebody
Herrera	I guess, I don't know, that fucker, that's just what uh Kasey was telling me, that Gino was telling. But I lied to Kasey about it, I told that fucker, to rap to my mom bro. Sit down with her and I told him, let me know if you think, if you see anything, like if

	you feel what you're hearing, with everything, you have the evidence, like when they fucken, when my mom fucken, records it all down for me, what she hears, like the rollo I'm telling you. That what-what is your gut feel would tell you. But my gut feeling (UI), knowing my brother, then I start hearing all this other shit that he was talking about death, then I heard that he had a fucken, supposedly, a fucken tumor in his head that they told him that it was just a matter of time...(OL)
CHS	Hey...(OL)
Herrera	I tell my wife, well, then I keep getting messages back and forth with my fucken hyna burned too like fuck. So I (UI) you know what I mean? Then at that time we were still fighting with each other. But she stepped up and she gave me skina nah, she says to, herself, she told me she's not buying it, whatever she seen on that autopsy, she's not buying it.
CHS	She said what?
Herrera	That she doesn't buy it. And I told her, why? Why? What makes you feel like that? She just like I just don't buy it. So then-then I fucken find out another thing, that my sister gave him fucken pills and I want to know what type of pills she gave him. But see now, Leanne's the one who knows all this rollo. So that's what my homie got out now (UI) that (UI) he on it, eh. That's his best fucken friend that's (UI) keep running. That's...(OL)
CHS	Hold on, hold on. [Pause-background noises/voices]. Hey, they're taking people to the yard now
Herrera	Huh
CHS	They're taking people to the yard, tomorrow, I'll get up and I'll uh
Herrera	(UI) down, you have to go, huh?
CHS	Did you have it on?
Herrera	Yeah
CHS	Were you at your door?
Herrera	Yeah
CHS	Oh, yeah?
Herrera	You have to go?
CHS	You have to go?
Herrera	Yeah
CHS	Oh, you don't have to do nothing
Herrera	Well I know that, but (UI) [laughing]
CHS	What are you talking about?
Herrera	You go now but see (UI) that fucker, that fucken,

	I'll end up having to argue with that fucker, eh
CHS	Oh, yeah like-like when they act that they don't see you but the dude that used to live in there always used to go to the yard and uh, they didn't know he was gone and I'm pretty sure they marked you down. You see how early they mark you down before chow and shit, you have to be, they don't come in and say nothing you just have to hear them, you have to be waiting for uh, the-the-the window to open up there, that's how they do it
Herrera	Yeah, but I don't know eh, I don't know dog, that's-that's just been bothering me like fuck eh, serio, that, he's death fucked me up bad, eh. That's just like fuck, you know what I mean? Not knowing, at least you know the motherfucker shot him, I would know who in the fuck killed him
CHS	You've got to find out, you got to find out from Danny again. You haven't heard anything, uh, Kasey didn't talk to your mom?
Herrera	That fucker didn't do shit, eh. He was supposed to even rap to you but he didn't do that either, now you tell me he hasn't talked to you
CHS	Well he got prendido right away, he was prendido.
Herrera	(UI)
CHS	Uh-uh Chris said, that he was looking for him because he disappeared
Herrera	(UI) ...(OL)
CHS	I guess he owed them...(OL)
Herrera	Yeah, I guess he got himself up in a switch. I heard (UI) Alex for him cause I didn't know when he went home, he went and got money, and kept it. Fucken Alex, he's-he's lucky I would give him a fucken (UI) Alex threw him a loco, Damien, eh
CHS	He ended...(OL)
Herrera	Bobo and started paying little by little nah? That fucker went home with \$200 worth of (UI) to pick up a clavo and everyone in Cruces never did it. Fucken went and did it, eh.
CHS	That's, it's-it's, and-and in Albuquerque you end up a dealer right away...(OL)
Herrera	Angela has him all fucked up too (UI) kicking it with fucken Nicole, with fucken Bobos wife, his daughter, member Bobo from Anthony Pa-Padilla's...(OL)
CHS	Yeah, yeah
Herrera	His brother...(OL)
CHS	Yeah

Herrera	The one eye
CHS	Yeah
Herrera	Well he over there holding his daughter, I used to call him (UI) but weasel was fucking with him. With Valerie, with uh, Valerie, I was fucking with her. Antone's daughter, you know her
CHS	What's up with Antone, where's he at?
Herrera	He's dead
CHS	Oh, the old one?
Herrera	Yeah, fucker died
CHS	What about the younger one?
Herrera	I don't know him, I don't know him, but, I just know Valerie, nah?
CHS	Well he was related with him some how
Herrera	To who?
CHS	I-I thought he was related to Antone, the older one
Herrera	Oh, I don't know I just know fucken Kiobo (sp) , he brother...(OL)
CHS	I remember Valerie
Herrera	That was then, eh. I don't know bro, fuck. It just sucks too ese, cause they...(OL)
CHS	You'll find out, you'll find out once you get someone to rap to Danny
Herrera	It's just a, a matter of when, nah? Just start rap to them, it's just I don't want to go fucken do something then the fucker, you know what I mean?
CHS	Yep
Herrera	I don't think so. My-my heart tells me, not-not really nuh, but I just feel like, its (UI) like but then I found out that they were arguing. Him and Shorty, even went to his pad, eh. But he had a fucken (UI) that fucker. They started fighting over something...(OL)
CHS	Who?
Herrera	That's another story...(OL)
CHS	Shorty and who?
Herrera	Then there's a, Huero, because (UI). then there's another story that his wife was fucking with one of my little homies and my little homie tagged it
CHS	His wife was fucking with your, with Shorty?
Herrera	Yeah, he uh, Shorty, his Ruca, his-his homie, his little, his little homie, from the barrio
CHS	Yeah
Herrera	Was boning her. And then to be together he tagged him
CHS	Are they together?

Herrera	No, uh, she's like, ssh- that fucker was all panickeado (sp) too eh...(OL)
CHS	Hold up, hold up...(OL)
Herrera	That fucker was all panickeado (sp)
CHS	Hold on
Herrera	(UI) fucken and shit, that fucker called my mom all paranoid eh. Telling her I fuck you whenever, Shorty, that's my pedo, I don't know when the fuck. So this is what it's coming from, so this-this is crazy, eh
CHS	You're still talking and I said hold
Herrera	Huh
CHS	You're still talking, could hear you from the door
Herrera	Where did you go?
CHS	Back to the door and back
Herrera	Nota
CHS	To see who's in the cage
Herrera	They're looking for you fucken picture. I was going to go out but I'm tired, eh
CHS	Told you...(OL)
Herrera	I don't know...(OL)
CHS	There's no motivation to go out, there's...(OL)
Herrera	And, then I want a send word to the homies, got to do something about everybody
CHS	What?
Herrera	Yeah, somebody else, they're fucking with (UI)
CHS	Send word to which homie?
Herrera	I don't know, whomever is here
CHS	Oh yeah
Herrera	They go to visits?
CHS	Oh to get into the libre?
Herrera	No, but did they go to visits over here?
CHS	I don't think they are contact visits
Herrera	Oh, watcha, hey
CHS	They're not contact visits
Herrera	Hey
CHS	Hey
Herrera	Is there cameras in there?
CHS	In the visit?
Herrera	Yeah
CHS	I haven't been to the visit
Herrera	Huh?
CHS	I haven't been there
Herrera	You know how Pup used to do it?
CHS	How?
Herrera	He'd unscrew it

CHS	How?
Herrera	The little tiny screw
CHS	To unscrew it
Herrera	Yeah, my-my wife did him. My wife's the one that bought that set, nah? His chick ended up staying with me, they (UI) a screw set. And he would take off the little screw to the screen and put a straw through, that's all that fits is a straw, you can't do nothing like that
CHS	And, and she got...(OL)
Herrera	At the south
CHS	Where do you get the thing for the screw?
Herrera	Huh?
CHS	Where do you get the thing for the screw? It's-it's a weird screw
Herrera	It's not, you buy those from Auto Zone. That's where my Ruca bought the set
CHS	Oh, it's an Allen
Herrera	Yeah, not only that, it's not metal, they-they, it's that other type of material, it doesn't leak. But then, when I was at the south, like this last time, before I left to Cruces, like 4 years ago, I put a hole in the window. (UI) nah?
CHS	Did it work?
Herrera	Fuck yea. I went back and told my Ruca, that fucker didn't even know I told him to send me his lines
CHS	How long did the hole stay there
Herrera	Pft-for a minute, then once I put it through, fucken Mariano, when I put that thin rod I told Mar-Mariano, ponte trucha
CHS	A la verga
Herrera	He said, nahhh, he says, you should at least tell me something, I went out a pair too. For the clavo, in case goes to jail, nah? He's say, nah, I says, it's all good, at least I put it back. He says, no I (UI) que chingada, I just don't make all kinds of fucken noise, nah. I told him, nah ponte trucha that fucker, boom
CHS	How long did it take?
Herrera	Sheesh, about two weeks
CHS	Two
Herrera	Because I had to do a little bit at a time; and no one ever go that cell so I just put fucken tape there and start taping it even better nah? Then, then when I fucken spit to Cruces (UI) that fucker was hitting hard, eh. Fucken Juanito was there for

	all of it
CHS	Hold on, let's see (UI) that door always has me at the door...(OL)
Herrera	Hold on [background noises/voices]
CHS	Yeah, I think they started in here now, I think, I'm not sure. Hey. Hey
Herrera	Huh
CHS	Are they starting in here?
Herrera	Hey, hey, (UI) check this out, when I got there now, right?
CHS	Where?
Herrera	When we got over here now
CHS	Oh, yeah, yeah
Herrera	They have cameras on the outside, and inside the cell, eh. Inside the cage. So...(OL)
CHS	(UI)...(OL)
Herrera	(UI) see shit anymore over there
CHS	In medical?
Herrera	In the south
CHS	What...(OL)
Herrera	It-it's chafa eh. There's a fucken camera on your side and a camera on her side
CHS	Inside the visit?
Herrera	At with (UI)
CHS	Inside the visit?
Herrera	Yeah. Then in the south, they added more fucken cameras, and then they put one by the door and jura said get away from the door. And that little tiny speaker, a camera. I said, a la verga
CHS	Oh man
Herrera	Side shit, bro. Those fucken cameras are on the visitor the same way, they have audio in those mother fuckers, eh
CHS	I'll ask my neighbor if they have cameras in the visit
Herrera	If they don't, good nah?
CHS	Chh, do you know how long it's been since I had a visit? I don't even get visits, I call my son
Herrera	I'm going to try to find penpal just now, it's the heat, eh. Can't
CHS	I don't need a...(OL)
Herrera	One of these days...(OL)
CHS	I don't need a pen, I don't want a penpal because that, they use that against you, bro
Herrera	I know
CHS	They-they, you get, you'll get to like someone or

	think and-and-and just makes you go off and then you're in your cell with nothing, like you used to be. Uh, you know so, the less that I have to stress about with, you know, the better, cause that's what used to stress me the most, really, is when I had gente out there...(OL)
Herrera	It was sent to me not to long ago...(OL)
CHS	When I had gente out there, it used to stress me the most
Herrera	Man, you were getting it, you were getting fucken fotos in Cruces. So it's like clockwork, Boxer would do (UI)
CHS	What kind of fotos?
Herrera	Remember Boxer?
CHS	Uh, Tave?
Herrera	Member Boxer?
CHS	Tave?
Herrera	Huh?
CHS	His last name is Tave?
Herrera	No Madrid
CHS	Oh, oh Roy?
Herrera	Yeah, that fucker was getting skina like fuck. It was working in Cruces, but the only rollo
CHS	What kind of pictures?
Herrera	Huh?
CHS	What kind of pictures? Like, not polorid, no?
Herrera	Just regular pictures, then he found out Marijuano told us when we went over there, even Shadow would work for him. Shadow went over there and tried it and it worked
CHS	But
Herrera	He said I don't know
CHS	What did they do?
Herrera	They were getting them over here
CHS	Hey, when it didn't work, what did they do? did they...(OL)
Herrera	(UI) they sent the pictures back
CHS	Alright
Herrera	That was another thing, they sent a picture a-a rejection notice, nuh
CHS	Yeah
Herrera	They send back his pictures, but I think the Feds were at the other end, waiting for him to get on that fucken phone and say, hey what's up, I never got that and it was returned, they would of gotten it, you know what I mean? That's what happen to KC.

	He's stupid, he went and called Bobo, eh
CHS	What happened with KC?
Herrera	They went and charged him and Bobo
CHS	How long ago was that?
Herrera	When he went to Cruces with me, he was all over there stressed out, eh
CHS	Like three years ago?
Herrera	Huh?
CHS	Like three years ago?
Herrera	Around there, yeah
CHS	Did they give him time?
Herrera	Yeah, because he was on that fucken phone, asking, that's where he fucked up. They can't charge you, all they have to do is get word on the street, that's it, don't call, don't ask for this, don't ask for fuck, and don't even mention anything. That's it. They were getting him over here, though, serio. They told me, they went over there, Shadow, told me serio, all (UI) he tried it, but it didn't work. He said, I don't know, he kept waiting and waiting and nada. Finally they showed up at the (UI) but the beginning is they were bull shiting, nah?
CHS	And they charged them?
Herrera	No, chale
CHS	Oh, because I was going to say, I never them charging KC and Bobo
Herrera	They fucken, at central, sheesh, it just depends, eh. Honestly, they see, another time too, fucken Shorty sent me something, my little homie, not my brother nuh, that fucker, I didn't even know, they fucken, they told me. They called me out there, they wrote me up and everything, eh. I beat them before, but they asked (UI) you would've got it, it was good, but you know what gave it away? Was the writing. Fucker can't write a letter he scribbled in circles
CHS	He didn't write nothing in the letter? Que va?
Herrera	[laughing]. He said, he said, the letter didn't make sense, he said, not unless you understand circles
CHS	A la
Herrera	He says (UI) nice try
CHS	That fucken door makes all kinds of noise
Herrera	They weren't tripping eh, because they really can't do nothing
CHS	The fuck they can't
Herrera	Yeah, they-they have a fucken phone call from the

	other end
CHS	I haven't even tried nothing like that, because I'm so worried
Herrera	Nah, I know a bunch of people in Cruces were doing it like fuck. It was working for everybody, eh. Even that fucken viejo was on it like fucken clock work
CHS	What
Herrera	But the way he was doing it, was against the card
CHS	Yeah
Herrera	Against the seal, nah? You know what I mean?
CHS	Where you, where you lick it?
Herrera	Yeah, he just puts it there. That's how that viejo was doing it
CHS	Yeah-yeah that Ruca, he had showed her how to do it, she used to do it for me, remember?
Herrera	And there is another movida. Now you just get the liquid, (UI) the Ruca, the liquefier (sp), it turns it into steam, nah? You put it in there I guess, and you steam it, the thing over it, and it captures everything. And it doesn't, it's just clear
CHS	Where does it capture it on, the paper?
Herrera	Yeah, over it, it guess. I don't know that movida, but that's what it's supposed to be. Then over there now, the vatos in the other pod in the other unit (OL)
CHS	That hey...(OL)
Herrera	(UI)...(OL)
CHS	That Ruca gives him a lot of skina, no?
Herrera	Well yeah, he was, eh. He was getting at least, one a week, or one every two weeks
CHS	Yeah, don't remind me. Well yeah, I used to be the same in the county jail for us-us, remember?
Herrera	Yeah, you know, it's fucked up, eh. But he was, nah? He was in the hole, that fucker, fuck that vato, eh
CHS	And he...(OL)
Herrera	There's a bunch of youngsters out there that had, and I knew who it was coming from, who else, it was him
CHS	He was getting it for the youngsters?
Herrera	Yeah, he was giving the youngsters in his pod. It works over here, bro, you just got to get word, that's it. It's just a fucked up thing, it's a fucken creep breathing down the fucken back. And then, then it's impossible, somebody else will have to do it. You got to find somebody that's willing to do, nah? It's not working...(OL)

CHS	Like...(OL)
Herrera	Not going on...(OL)
CHS	Like sending a message through the visit, you mean?
Herrera	Huh?
CHS	Like sending a message through the visit?
Herrera	Yeah. Then it would have to do it through them. They would have to do it, because, they would have to get it too, because, I don't give a fuck, I'll try it, but I'm not. They go through the mail. I still haven't got mail yet, eh. I just-just-just that's just regular mail
CHS	I've gotten one letter since I've been here. One, from my son
Herrera	They're fucking with the mail. But that little fucker told me carnal, when he was over there, when he went over there, he says, (UI) it's not working homes, I told him chale. It's working like fuck over there. All weird, you know what I mean?

Herrera	We were getting them in Cruces, we were all fucken want to get the fuck out of Cruces, come over here, we come over here, and I was all happy, (UI) handle business (UI) fucken per visit, I said, what the fuck. This is over, eh
CHS	I never seen that, they might have done that here too. I don't know. They usually do the same thing for here and there, there and here

CHS	I don't see you being here very long
Herrera	Huh?
CHS	I don't see you, I don't see you or me being here very long
Herrera	Fuck it. Where ever we go, try to do something
CHS	I figure they move people just to see what kind of shit they could start up, or what they hear in the pod. Where you go
Herrera	Get all these fuckers riled up, eh
CHS	And then, what's that?
Herrera	(UI) [laughing]
CHS	Yeah

	through firme, serio. Fucken come over here not one fucken picture we got, even tried it the other way on the (UI) but I don't know if he actually did it or it was his storia, nah?
CHS	I think it was the seam of the envelope
Herrera	It's easier than fuck, bro. Those fuckers next door were hitting the mail like fuck, you can't even do that. But it's not that, it's just, those fucken fuckers are fucking all over the phone, all over the visits, all over the mail, can't even do nothing. They're on us
CHS	They're on just us, that's why...(OL)
Herrera	I think that's why they hit my mom's pad, so they're, like I'm going to ask her to send me something
CHS	How do you know they went over there looking for mail stuff?.
Herrera	Huh?
CHS	How do you know went over there looking for mail stuff?

Herrera	I don't know, I haven't been able to rap to his ass. I haven't rapped to him, my mom rapped to him like about, she asked him for that ferria like about four months ago
CHS	Did he give it to her?
Herrera	Huh?

Herrera	Yeah. So he went and payed that 25 bucks to homie,

	nah
CHS	You're lucky you got 25 bucks from him
Herrera	Yeah
CHS	Yeah
Herrera	Yeah, when I called. Then when I called I guess through my mom fucken, fucken I guess my Ruca, my mom said Ruca got all jealous, they started fighting, and my mom had to call his Ruca and talk to her, tell her, it-it's nothing, don't get all jealous, it's me, I'm an old woman, not unless you're jealous of an old woman
CHS	That...(OL)
Herrera	I don't think...(OL)
CHS	That vato charged me for everything

She gave him a black eye, handcuffed up his hands. Fucken Marijuano was giving he carilla eh, he's all retarded still

CHS	Well maybe not when you call them, but they'll come in here
Herrera	Yeah?
CHS	Yeah, when the bring in the yard or

Herrera	There's not a phone schedule and shit?
CHS	Nah huh. I don't, well, my neighbor makes the phone schedule, uh, you know, you just, whoever tells him. But usually it's in the evening
Herrera	You all use it in the evening?
CHS	Most of the time they do, nah? In the evening, in the morning and all that. Not that many people never there use it
Herrera	(UI) in the yarda or what?
CHS	No, I don't even think they came for em
Herrera	No?
CHS	He just got his TV too, just, the same day you go here, yesterday, he got his TV. So he's on it, he's, he said they got up for yard this morning, but
Herrera	But what?
CHS	But, you know, he stayed up all night. He's another one that stays up all night watching, uh-ah, like I said, he just got his TV. He didn't have a TV for a while
Herrera	I know eh, nah bro, fucken, (UI) what 11:30?
CHS	Where's Critter from?
Herrera	Barelas
CHS	No Creeper. Where's Creeper from?
Herrera	Uh, I don't, that fucken Creeper, he went over, no one knew him, fucken uh, saying he was in the war zone. Everyone from the war zone, didn't know him
CHS	Whose name was he using?
Herrera	Huh?
CHS	Was-was he using anybody's name?
Herrera	Nah, that fucker. I don't even know, eh. I didn't even ask that fucker. He lived next door, he was like fucken weird, eh. He was like a weird fucker. Then it comes to find out, that fucker child molestation charges
CHS	How come if they're so weird they're sending him to do those things, man? Que barbaro, ese
Herrera	Es que he had child molestation charges, that when his paperwork came out that's when he fucken flipped
CHS	Oh, he flipped?
Herrera	Yeah, he's a rat. That's fuckers telling like fuck. Then his fucken uncle is a fucken major. You remember Castillo? That fucken creep that used to work in KP
CHS	Yeah, that little short stocky dude?
Herrera	Yeah, that's his uncle. That, his name is Jerry Armenta. That's Creeper's name

CHS	How, what, how long has he been around?
Herrera	He's like an older vato, he has family from uh, Henry Circle
CHS	Henry Circle?
Herrera	Yeah, right there by-by Atrisco. By (UI) for Jesus down there. But, no one knows him, eh
CHS	He hasn't done nothing, que no?
Herrera	Fuck no, they got him on that viaje) they charged him, JR and Red for that murder. When fucken uh
CHS	The one with the glasses?
Herrera	No with uh
CHS	Roswell?
Herrera	No, (UI)
CHS	Yeah, with the glasses
Herrera	Yeah
CHS	Every time I've seen him he had on Urkles
Herrera	He's from Cruces
CHS	Every time I've seen him he had Urkles
Herrera	Yeah, that fucker, charged him for that shit, nah? Then they have
CHS	Red, tambien
Herrera	Yeah, Red, JR, Blue, uh, Dan Dan, and Creeper. And then Trigger volunteered to testify, he started making statements right off the gate
CHS	What's Trigger's name?
Herrera	Jason Wright
CHS	He's not in my indictment
Herrera	No, he's uh, he's fucken ratting homes. Then you have fucken
CHS	Was he there?
Herrera	He was in the pod
CHS	Who a la
Herrera	He's over there saying that
CHS	That's all they need
Herrera	I know, but I know, but there's different stories to all that shit. He's saying that, then JR is over there rapping to, saying he's gonna recant his statement. Saying that he was just lying, that he didn't see nothing. That he just made up a bogus statement because he was mad at him. Because before that...(OL)
CHS	He was mad at who?
Herrera	JR
CHS	That JR was mad at who?
Herrera	(UI)
CHS	JR was mad at who?

Herrera	Uh, Trigger
CHS	Trigger's been around a while, que no?
Herrera	Yeah
CHS	He's a white boy, almost, que no?
Herrera	Yeah, he's a white boy
CHS	Que barbaro
Herrera	Huh?
CHS	That fucker's been a weirdo since a long time ago, act-acting weird
Herrera	I know. Fucker's a creep, eh. He's over there, he said, well I guess JR rapped with lawyers, he was saying to his lawyers that was just saying those lies because he was mad at him. Because he had beat him up. Because Trigger had called his Ruca, on the fucken phone. Then you have Red that, pretty much fucken, saying now he didn't see nothing
CHS	How are they saying they didn't see nothing and at first they are saying something?
Herrera	Yeah, but, see now they're making, he's made I don't know how many different statements. Both of them have, they have all kinds of different statements. They go and fucken change it up. But now that the Feds came, they went and changed it up
CHS	For the good or for the worse
Herrera	Good
CHS	Huh?
Herrera	That's good. They went and tried to say that-that a fucken murder devised that was located in the fucken south was used nah? But they fucken found that after, like fucken it wasn't something that was new. They were just saying that. They were just one thaty they fucken planted. I guess inside the (UI) in between the cell I think, yeah. They changed it over there, they found have like vents like these ones from the bottom they're not open no more, you know what I mean? Like pull a (UI)
CHS	Yeah
Herrera	Now they're just fucken holes in the bottom bed. So in between those two cells they found the fierro in there. It's a mess, eh
CHS	So they don't need no body
Herrera	I already know
CHS	They don't
Herrera	Then like little what's is name got tagged on that. Because they charged uh, little Conrad for beating for up, that-that old man. Okay, so than that's-that

	case. Then the other cases they have Billy I guess as person that called it, what I was hearing for a double homicide that happened in Cruces and that's why they got little Huero...(OL)
CHS	Like in 2001
Herrera	Yeah, they got little Huero, and other fuckers, Critter and I don't know who else
CHS	Are any of them ...(OL)
Herrera	And that-that's case...(OL)
CHS	Any of them that they got on that? Are they making statements?
Herrera	I don't know. I don't know that, I don't know, I don't know about them. Like little Huero and Critter and other than the other vatos, I don't know. But as far as Cyclone yeah, yeah
CHS	The Cyclone are a whole different...(OL)
Herrera	He was already in the drop off unit, that tells you that this fucker is going to rat
CHS	But Cyclone was a different incident
Herrera	Yeah I know. But that's all, that-that-that's that case. They you have Cyclone and Wino, this other case that Huero Troup. Charged with that other one from Roswell
CHS	Man that shit's happen so long ago
Herrera	I know, that's another thing to is, is that administration is going over there charging people with a fucken murder. When they don't even know how the person was dead. Not only that, they discovered them like four days later after his body was already detained
CHS	Serio?
Herrera	Yeah
CHS	Another Mosco
Herrera	So how in the fuck are-are they going to determine that? That was the one from Roswell, four days that he was dead.
CHS	Well it's been so long, you know, it never got time so they don't...(OL)
Herrera	What happen there is they're just they went and they are just charging people with a gun. A person was fucken dead and they're just trying to cover their fucken deathbed because of the lawsuits
CHS	Hey, they get some good-good lawsuits too
Herrera	And then that Javier's mom and his Ruca were making a big o'pedo. They're over there fucken crying and making a big o'thing on TV, nah?

CHS	BB?
Herrera	Javier's Ruca
CHS	I-I didn't see none of that. I-I didn't, I didn't see none of that on TV at all
Herrera	Yeah, fucken, you're out of state. That's it...(OL)
CHS	Yeah, but well I would watch on the-on the computer you could get, you could look up news for whatever city you want to check into, no?
Herrera	Yeah
CHS	Yeah. On the smart phone, tambien
Herrera	A la verga
CHS	Yeah-yeah, it's-it's-it's called Google, you'll say, Channel 7 Albuquerque and boom it'll pop up. You talk into, nah?
Herrera	Yeah?
CHS	That's a smart phone, you don't know about them kind of phones?
Herrera	Fuck no...(OL)
CHS	The kind where you move...(OL)
Herrera	We didn't have that kind of shit when I was out there
CHS	The kind, oh I know. But the kind you seen them on TV all the time, the kind you move with your finger
Herrera	Yeah
CHS	You know what I'm talking about?
Herrera	Yeah
CHS	Yeah those ones. And then you make it like, like if you want to make it bigger you put your two fingers on the screen like you make your fingers bigger. And it gets bigger. Or if you want to zero in on the picture, zero on the panocha or whatever. They're, yep
Herrera	Like fuck. Yeah, I know eh, it sucks...(OL)
CHS	They...(OL)
Herrera	It's fucken...(OL)
CHS	Them phones are good to have technology but yep, they got my phone, yep. They are going to see nothing but animal sex on there
Herrera	I thought fucken Flores came today?
CHS	Which one is Flores?
Herrera	Flores
CHS	Which one is Flores?
Herrera	The one that used to work medical, they one that does canteen
CHS	No, fuck no that was Archuleta. Archuleta was the canteen dude, and he fu, he fucked up...(OL)

Herrera	Nah, member, member Flores was helping him? Or he does he even come over here with him? Member Flores...(OL)
CHS	You know you helped last time? It was a girl and that pro-, it was a girl and that property officer, I haven't seen Flores. Now I know who you are talking about
Herrera	Yeah, Flores is at the south, he fucken used to always be in medical, that skinny fucker
CHS	Yeah he's been around a long time
Herrera	Yeah, that dude. He does, he went yesterday, passed it out over there
CHS	It don't look like there's going to be canteen, because we'd already seen it. The dudes in went to the yard, there are dudes that came back and didn't see no canteen. Did you already get your room together? All your property together?
Herrera	Yeah. Nah, fucken I got my other work out shoes though
CHS	How much coffee you got?
Herrera	About quarter bag
CHS	Alright, I got coffee too
Herrera	I have three soups and little half of sleeve of crackers
CHS	There you are, you're good
Herrera	Yeah, I'm good, eh, just
CHS	I got like 10 soups and like a half of bag of coffee
Herrera	And half a bag of beans
CHS	I don't got no beans. All that extra shit I can't afford to order when I got that \$100 I wanted to make it last. I think he got, he just got his income tax is the only reason why I got that \$100. Man ese...(OL)
Herrera	Do you think I can get the phone later? Tonight?
CHS	Well it-it won't do you no good to yell now. If you yell, they don't pay attention to you, it just gets you mad, then you start banging and everything
Herrera	I know, that's why I said are you going to get phone now, or you want to send me big o'mission
CHS	Nah, I was asking you...(OL)
Herrera	(UI)...(OL)
CHS	I was asking, I was asking you, I was asking you that way I could tell my neighbor, he keeps, everyone tells him when they need the phone. That way the jura don't get involved
Herrera	She's at work now, eh

CHS	What kind of work does she do?
Herrera	She cuts hair
CHS	Oh yeah, yeah
Herrera	She's a hair stylist
CHS	Are you going to have her cut your hair when you get out?
Herrera	Yeah

CHS	Four, how did you get a four hour visit?
Herrera	Because we get, we could do that over there. It still counts as your time for the month though
CHS	Hey, so, so there's no more titty shots or nothing, since there's camera in the thing?
Herrera	Fuck no, there ain't fuck over there. That's why at least over here, I hope, there's no camera, eh
CHS	I don't-I don't know that for a fact, I haven't been in the visit in a while
Herrera	I want to see some pussy eh. Fucken my wife's pussy, good lord, eh

CHS	They don't take it, it's just always a different system and they don't have the same kind of time on their phone as they do in the new system
Herrera	No, but these, but what I'm saying is, calling with, on the double number, you know what I mean?
CHS	Oh yeah. Well other places don't have a uh-uh a set amount, they, when you come out for your hour, when you come out for your hour, you could use the phone

Herrera	He was kicking with everybody, he was all Christian, member?
CHS	He was only Christian when he wanted to be
Herrera	Fucker was Christian, saying nada, doing nada, then he went Cruces and wanted to be gangster
CHS	Yeah he's the reason that all came down. He's the reason
Herrera	Huh?
CHS	He's the reason why that all came down
Herrera	Fucker lost his mind, eh. Fucker's burnt. Then, then I seen him at the window no? And he showed me a little tiny, little Fierro eh. That there's a fucken, you know that little tiny nail clippers?
CHS	Yeah

Herrera	The fucken top to the nail clipper, sharp it. And he had some little sticks glued to the fucker, eh. And I thought it was his tool to work with, nah? Said what's the fucks that? He said shit, you could fucken, you could slice arteries with this fucker, eh

CHS	From a long time ago?
Herrera	Yeah, it just, over there fucken fighting
CHS	Because Stoner's an old-old, he's probably as old as me
Herrera	Yeah, he's an old fucken man. He's down, eh, that fucker, you know what I mean? That fucker he came out, eh. He thought Pup was going to have fuckers get his ass and smash him, but, he didn't, he came out, eh. The only, that-that could of have happen, you know what I mean?
CHS	Yeah
Herrera	And he still came out

CHS	Pup got carried away, bro
Herrera	On his own
CHS	Yeah, there's no
Herrera	He went home, that fucker set him up, eh. He's older than me, so I couldn't say nothing, you know what I mean?
CHS	That's what disappoints me now, is that, he wasn't here all that time, then, he comes and makes a mess. And-and then we're all paying for it now. I mean, he-he didn't have to make such a mess, you know what I mean? Not such a mess, a la verga. Like, there...(OL)
Herrera	He came back...(OL)

Herrera	You know
CHS	But that fucker growing on you
Herrera	Yeah, I know, that fucker stepped on my back
CHS	Oh yeah
Herrera	All because of fucken Shadow, member?
CHS	With Andre?
Herrera	No, when fucken, when they moved next door to fucken Shadow and Shadow went off

 00:00:50.212 13 fucken watching and then they were fucken blaming me
 00:00:52.916 14 for that shit. So I haven't been able really discuss
 00:00:57.307 15 stuff, you know what I mean?
 00:00:58.683 16 CHS: What shit?
 00:01:00.443 17 HERRERA: About my brother
 00:01:02.388 18 CHS: I don't think, I don't think...(OL)
 00:01:03.700 19 HERRERA: I have a feeling...(OL)
 00:01:04.580 20 CHS: I don't think they're blaming you for that
 00:01:06.749 21 HERRERA: Danny did it, eh
 00:01:08.227 22 CHS: D- what?
 00:01:08.938 23 HERRERA: He did
 00:01:11.534 24 CHS: Danny blamed you?
 00:01:12.896 25 HERRERA: He got a feeling nah
 00:01:15.384 00002:01 CHS: I don't think so

 00:01:22.677 05 HERRERA: (UI)...(OL)
 00:01:23.284 06 CHS: Look it matters what the autopsy says
 00:01:26.540 07 HERRERA: Alright the autopsy, is they determine that an
 00:01:31.052 08 overdose...(OL)
 00:01:32.107 09 CHS: Of what?
 00:01:33.100 10 HERRERA: Of Xanax
 00:01:34.844 11 CHS: Okay
 00:01:35.467 12 HERRERA: There was morphine in his system and a little bit
 00:01:39.220 13 of, supposedly, I don't know what else, heroin or coke
 00:01:42.973 14 CHS: Short...(OL)
 00:01:43.426 15 HERRERA: (UI)...(OL)
 00:01:43.834 16 CHS: Shorty's...(OL)
 00:01:44.569 17 HERRERA: (UI) done chiva.
 00:01:46.842 18 CHS: Shorty's not stupid, a little vato like Danny
 00:01:49.867 19 how would he get over on him
 00:01:51.985 20 HERRERA: See that's the thing with my brother
 00:01:53.739 21 CHS: Danny's a hang around
 00:01:56.139 22 HERRERA: I know Shorty's not, he's a paranoid fucker. He just
 00:01:59.058 23 doesn't even drink from somebody's cup. But this
 00:02:03.107 24 fucker went and bought a Gatorade and he stepped out
 00:02:05.928 25 and that fucker probably spiked it, eh. Either that,
 00:02:09.752 00003:01 or he gave him a shot. And he ain't just going to,
 00:02:13.786 02 it was not the (UI) a shot, because the time frame
 00:02:17.249 03 that he left my mom's. See because this is another
 00:02:21.010 04 thing that's throwing me off. Okay, I know maybe,

00:02:25.304 05 see he went on a mission the night before and
 00:02:28.057 06 Leanne's aunty passed away. So he went over to do
 00:02:31.281 07 fucken some transas with my mom. He gave her \$3,000,
 00:02:36.641 08 then she doesn't know what, how much money he had on
 00:02:39.489 09 him or how much dope he had on him. But he was
 00:02:42.728 10 telling my mom to give him a ride, my mom was busy,
 00:02:46.466 11 she told him hold on
 00:02:48.803 12 CHS: Oh and then she...(OL)
 00:02:49.410 13 HERRERA: (UI)...(OL)
 00:02:49.947 14 CHS: She came back and found him?
 00:02:52.059 15 HERRERA: No. So he was in a hurry, nah? So she split from my
 00:02:55.682 16 sisters pad, that's where, there was (UI) Mariano
 00:02:58.737 17 was doing the cuenta cutting up the rope. So then I
 00:03:03.651 18 I Huero must have went over there to pick up. Okay,
 00:03:07.145 19 so Shorty was trying to get a ride with mom to go
 00:03:10.594 20 back to his pad. But my mom was busy, but he told my
 00:03:13.441 21 mom don't worry about uh, my homie here will give me
 00:03:16.450 22 a ride, nah? Okay. So he went to his house. I don't
 00:03:20.936 23 know what stops he made, where he made, went or
 00:03:24.514 24 whatever, but Huero was the last fucker to see him
 00:03:26.713 25 alive. Okay? So if he went to the pad, to tell (UI)
 00:03:32.445 00004:01 or the aunty or one of them of them, found him all
 00:03:35.651 02 like, like, disoriented. He wasn't feeling good. He
 00:03:41.796 03 wasn't himself. Now my fucken uh, and supposedly,
 00:03:47.627 04 she was telling him "come on Johnny, come on, come
 00:03:49.988 05 and lay down, you're all fucked up bro". And he went
 00:03:53.659 06 to the restroom and he kept throwing up and-and
 00:03:57.219 07 supposedly his Ruca says that there a little bit of
 00:04:00.227 08 money on the floor. And she doesn't know how much
 00:04:04.579 09 money he had, what dope he had, that, and that, when
 00:04:11.476 10 she went to the restroom there was throw-up on the
 00:04:13.803 11 floor. And I asked, well what was it? Blue shit. So
 00:04:16.988 12 I thought maybe somebody went and gave him some
 00:04:19.644 13 morphine. Blue Morphine. They gave him blue
 00:04:21.780 14 morphine. So she told me. So what did it smell like?
 00:04:26.825 15 She said it smelled like Gatorade. But this is where
 00:04:31.083 16 they fucked up. They didn't pump his stomach. They
 00:04:35.970 17 should of did uh, what do you call to see what he
 00:04:38.372 18 had in his system, for the stomach...(OL)
 00:04:40.779 19 CHS: Oh for the autopsy? They didn't do that?
 00:04:42.515 20 HERRERA: They didn't do it. Not that I know
 00:04:45.411 21 CHS: Of course they did...(OL)
 00:04:47.122 22 HERRERA: I don't know if they did...(OL)
 00:04:47.939 23 CHS: That's, that's part of their...(OL)
 00:04:48.924 24 HERRERA: That's the thing...(OL)
 00:04:49.579 25 CHS: That's part of an autopsy, bro
 00:04:51.396 00005:01 HERRERA: But see that's the thing, I haven't really been able
 00:04:53.843 02 to go throw rollo with this fed shit, eh (UI)
 00:04:56.625 03 CHS: Yeah, you should be able to find out without
 00:04:58.475 04 worrying about the FEDS shit, I mean, your mom
 00:05:01.299 05 should be able to find out...(OL)
 00:05:02.891 06 HERRERA: His Ruca, his Ruca, now with the homie just got out
 00:05:06.186 07 Gerbil. They're on him already, nah? That fucker
 00:05:11.123 08 already rapped to them, that fucker does good out

- DISC 31023-31070.Redacted.Transcript of bod rec btwn CHS & C. Herrera(2-27-16 thru 4-28-16).0730_02

00:05:14.835 09 there eh...(OL)
 00:05:15.594 10 CHS: Who's that?
 00:05:16.458 11 HERRERA: Gerbil
 00:05:17.658 12 CHS: Which one is Gerbil?
 00:05:18.667 13 HERRERA: My little homie
 00:05:21.414 14 CHS: I don't know
 00:05:21.899 15 HERRERA: There's a lot of fuckers out there, not only that.
 00:05:23.938 16 My other little homie got out the fed
 00:05:26.196 17 CHS: Where are they from?
 00:05:27.364 18 HERRERA: From my barrio, from 18 street. They're-they're my
 00:05:31.107 19 other little homie just got out of the Feds to bro.
 00:05:34.564 20 And Danielle likes the (UI) homes, but she's (UI)
 00:05:42.454 21 CHS: Is Gerbil doing good out there?
 00:05:44.207 22 HERRERA: Yeah, he just barely got out, eh. But I haven't been
 00:05:46.880 23 able to get at him because he's fucken peeps here,
 00:05:49.424 24 eh. and I'm on (UI), I can't even call no one
 00:05:54.160 25 CHS: You shouldn't have to get at them. You should just
 00:05:55.808 00006:01 ask his Ruca to (UI) his Ruca she should be able to
 00:05:59.727 02 have access to uh, autopsy and what was it...(OL)
 00:06:03.895 03 HERRERA: Well she's on it, I rapped to him when he was in
 00:06:05.672 04 Cruces. Bro. I was able to rap to him real firme,
 00:06:09.343 05 you know. And he told me, no shit bro, (UI) and that
 00:06:16.434 06 fucker, she's just waiting. Cause see, he needs to
 00:06:21.064 07 (UI) it's just that uh, and this is another thing
 00:06:28.065 08 too. Alright. My brother real bad was talking about
 00:06:33.287 09 death, a
 00:06:34.680 10 CHS: Talking about what?
 00:06:35.647 11 HERRERA: Death
 00:06:36.513 12 CHS: Death?
 00:06:37.257 13 HERRERA: Yeah, I don't know if he was sensing it,
 00:06:39.184 14 or what, but he was telling his Ruca how he wanted to go
 00:06:45.281 15 CHS: (UI)
 00:06:45.730 16 HERRERA: And uh, the way to do that in the day time,
 00:06:49.545 17 it just didn't add up eh. Then not only that, another
 00:06:52.832 18 thing. Supposedly uh, he had some fucken mass in his
 00:06:58.841 19 head, nah. That he was ready to die. That I don' know,
 00:07:03.687 20 if was a brain aneurism or-or what do you call
 00:07:06.063 21 with his brain
 00:07:07.465 22 CHS: Cause if-was that...
 00:07:08.225 23 HERRERA: He told them, that if, whenever he dies, he dies,
 00:07:11.480 24 there's nothing you can do for him
 00:07:13.000 25 CHS: Did he have that?
 00:07:13.960 00007:01 HERRERA: Yeah
 00:07:15.303 02 CHS: For sure, you know that? you know... (OL)
 00:07:17.168 03 HERRERA: Here's the thing... (OL)
 00:07:18.057 04 CHS: You know that for.sure?
 00:07:19.344 05 HERRERA: I don't know for sure
 00:07:20.721 06 CHS: Well, you should know, he's your family
 00:07:22.545 07 HERRERA: My mom, my, he kept it as a secret and
 00:07:27.401 08 that's what he told his Ruca
 00:07:29.585 09 CHS: Oh, that's part of the autopsy too.
 00:07:31.408 10 You should have all the, all the autopsies
 00:07:33.632 11 I have it tells everything
 00:07:36.777 12 HERRERA: Then I have a home girl. Remember

00:07:39.027 13 that Ruca I was telling you that's a nurse?
 00:07:41.772 14 And I was going to fucken get at her and have
 00:07:43.788 15 her look over that autopsy. But I don't
 00:07:46.235 16 trust her
 00:07:47.380 17 CHS: Where she at?
 00:07:48.645 18 HERRERA: I don't want to go asking things like that,
 00:07:51.346 19 with these fucken FEDS already
 00:07:54.075 20 CHS: Why not?
 00:07:55.876 21 HERRERA: Huh?
 00:07:56.412 22 CHS: Well why not? That's-that's not nothing
 00:07:58.523 23 suspicious. That's-that's uh-uh a family member,
 00:08:04.852 24 a brother, a sister, a mom, there's nothing
 00:08:07.155 25 suspicious about trying find out what they died
 00:08:10.036 00008:01 of on the autopsy. I mean, it-it says
 00:08:14.036 02 cause of... (OL)
 00:08:14.947 03 HERRERA: (UI) ... (OL)
 00:08:15.587 04 CHS: It says cause of death... (OL)
 00:08:16.379 05 HERRERA: (UI) homie, I'm sure the homies
 00:08:18.027 06 fucken listening to a story. Then another
 00:08:21.692 07 thing, is that I didn't trust her
 00:08:24.179 08 fucken butch, I didn't trust him either.
 00:08:28.588 09 I have to (UI)
 00:08:30.530 10 CHS: Before your homies starts to checking
 00:08:32.777 11 on dudes and all that, he needs to get an
 00:08:35.285 12 accurate thing of the autopsy. Then you go
 00:08:38.763 13 from there asking the questions
 00:08:40.811 14 HERRERA: But I don't think Danny would do
 00:08:42.347 15 that to me, eh.I've known him since middle school,
 00:08:45.597 16 I went to school with him and Kasey I've known
 00:08:47.667 17 him forever. You know what I mean? I don't know, eh...(OL)
 00:08:55.912 18 CHS: He just, yeah. I don't think he would do nothing
 00:08:58.085 19 HERRERA: And then to top it off, it doesn't seem like, if
 00:09:01.828 20 you're going to do something like that, lie or
 00:09:03.707 21 something. But just, if he would of went over there,
 00:09:07.194 22 to pick him up...(OL)
 00:09:08.219 23 CHS: Was it during the day?
 00:09:09.451 24 HERRERA: It was during the day, and-and see, it was even they
 00:09:12.499 25 calculated, (UI) because the vato would of, he
 00:09:15.363 00009:01 probably would of called the vato, my brother. He
 00:09:18.001 02 would have say, hey what's up, let's go meet or
 00:09:19.601 03 let's go kick it. He wasn't expecting to give him a
 00:09:23.216 04 ride. He didn't even like, in other words, give me a
 00:09:26.458 05 ride to (UI) he was in a hurry. That's why he told
 00:09:30.507 06 Shorty give me a ride, let's go, because I know he
 00:09:32.826 07 was probably wanting a fix. He was probably (UI)
 00:09:34.977 08 because he just picked up
 00:09:42.224 09 CHS: What was your brother doing with someone like Danny
 00:09:44.912 10 that's like on the street?
 00:09:47.721 11 HERRERA: My brother was like that. He just would, you know,
 00:09:50.408 12 cause, I've known him forever and he knows all my
 00:09:53.937 13 friends. We went to school together, always kicked
 00:09:57.264 14 it and I fucken uh, looked out for him. He was like
 00:10:03.640 15 Chris, eh
 00:10:04.370 16 CHS: But...(OL)

- DISC 31023-31070.Redacted.Transcript of bod rec btwn CHS & C. Herrera(2-27-16 thru 4-28-16).0730_02

00:10:05.003 17 HERRERA: I (UI) everybody. You know what I mean? Kind heart, eh
 00:10:07.609 18 CHS: Yeah
 00:10:08.089 19 HERRERA: These fuckers (UI) fucken give him something, you
 00:10:12.561 20 know these fuckers sit, (UI) you know what I mean?
 00:10:15.560 21 CHS: Yep
 00:10:17.074 22 HERRERA: But the way it was planned, the way it wasn't a
 00:10:20.066 23 planned out thing, cause that's what (UI) the vato
 00:10:24.470 24 went over there (UI) he gave him a ride home. Not
 00:10:27.969 25 only that he went home right away, it was like fast.
 00:10:34.419 00010:01 But when she got there, well I guess his Ruca got
 00:10:37.082 02 there because she said that she had just talked to
 00:10:38.953 03 him. That they were already punching it to the pad,
 00:10:42.810 04 because she was already mad at him. Now, this is
 00:10:45.338 05 another thing, I know, this is the that throws me
 00:10:48.896 06 off too, because he was fucken, I know he was
 00:10:52.561 07 getting high. He was probably getting high with
 00:10:54.889 08 Huero and he needed to calm down. And supposedly
 00:11:01.697 09 this is the rollo I heard, my-my wife told me. When
 00:11:05.602 10 I was in Cruces, that she said that my sister gave
 00:11:08.529 11 him some pastillas okay. I know that carnal. He had
 00:11:13.425 12 a complejo. He's fucken tweaking, his Ruca is
 00:11:16.937 13 already fucken pissed off at him, (UI) Ruca trying
 00:11:21.394 14 to hide it and shit
 00:11:22.970 15 CHS: Yeah
 00:11:23.417 16 HERRERA: So that's the way my brother was, he was on this
 00:11:25.970 17 shit, he was trying hide it and he took some fucken
 00:11:29.282 18 Xanax and took too much, and when that fucken soda
 00:11:32.905 19 right now, that shit hit him, eh. Boom. (UI)
 00:11:42.105 20 Because, he was fucken, all her family were going to
 00:11:45.072 21 the pad
 00:11:45.930 22 CHS: Well than, you got it all figured out then, why are
 00:11:48.065 23 you looking at Danny?
 00:11:49.498 24 HERRERA: Because
 00:11:50.913 25 CHS: I mean, you said it all right there
 00:11:54.138 00011:01 HERRERA: I know, but see I don't know for a fact. You know,
 00:11:56.697 02 couldn't live with that. I'm going to live with
 00:11:59.714 03 that. I-I with this, I've got to rap to him.
 00:12:03.185 04 CHS: Well that's how we always fuck ourselves up...(OL)
 00:12:05.506 05 HERRERA: (UI)...(OL)
 00:12:06.088 06 CHS: That's how we always fuck ourselves up, doing things
 00:12:08.154 07 like that when we're dru, when we're partying...(OL)
 00:12:09.841 08 HERRERA: Bandit...(OL)
 00:12:09.990 09 CHS: Or trying to party...(OL)
 00:12:11.397 10 HERRERA: Take them to a place, grab their chainsaw, tie them
 00:12:14.182 11 up its scary eh. And that fucker said, yeah I did,
 00:12:18.012 12 no I did. Who told you to do it?
 00:12:21.274 13 CHS: With a chainsaw?
 00:12:22.097 14 HERRERA: Nah, whatever, Danny or someone. It's going to come
 00:12:26.274 15 out again. He's going to slip eventually, he'll
 00:12:30.234 16 fucken slip, it's going to come out. And whoever
 00:12:34.024 17 told him to do that, it's on eh
 00:12:36.698 18 CHS: He probably...(OL)
 00:12:37.306 19 HERRERA: (UI)...(OL)
 00:12:38.105 20 CHS: You start the chainsaw and he'll talk right away

00:12:41.728 21 HERRERA: I just want to know, I just, if Danny did it or not,
 00:12:45.062 22 it's, rap to him, I have to understand, where I'm
 00:12:47.221 23 coming from, homie. If it goes all the way, I got
 00:12:51.774 24 him. Fuck it, at least I know I killed him. And I
 00:12:56.422 25 know at least, there was doubt, there were never
 00:12:59.153 00012:01 (UI) I would never live with it. He has to die, eh.
 00:13:06.119 02 and I want to know...(OL)
 00:13:06.854 03 CHS: Have you got...(OL)
 00:13:07.759 04 HERRERA: (UI)...(OL)
 00:13:08.333 05 CHS: Have-have you got a chance to talk to Danny?
 00:13:11.325 06 HERRERA: I haven't had a chance. I heard that supposedly he's
 00:13:14.191 07 down south. He's at the south, eh
 00:13:19.415 08 CHS: That's his placaso they call Huero?
 00:13:21.639 09 HERRERA: Huh?
 00:13:22.543 10 CHS: When did they start calling him Huero?
 00:13:25.005 11 HERRERA: That's been his nickname
 00:13:29.425 12 CHS: I know, I know all (UI) kids and I don't ever
 00:13:32.068 13 remember them calling him that
 00:13:34.882 14 HERRERA: I guess, I don't know, that's Huero
 00:13:39.067 15 CHS: When I was out there, he was just a little, less
 00:13:41.699 16 than, about 10 years old, probably
 00:13:44.707 17 HERRERA: I've known him forever, dog. I-I used to go to his
 00:13:46.971 18 pad and everything, that was my fucken buddy. I went
 00:13:51.242 19 to middle school with him, [UI) fucken, we went to
 00:13:54.874 20 (UI), nah? I've known that fucker since we were
 00:13:59.906 21 small, eh. And I-I-I don't think, you know what I
 00:14:03.588 22 mean?
 00:14:04.202 23 CHS: Does...(OL)
 00:14:04.651 24 HERRERA: (UI) ... (OL)
 00:14:05.170 25 CHS: Does, does he any idea...(OL)
 00:14:07.370 00013:01 HERRERA: (UI) Spider...(OL)
 00:14:08.219 02 CHS: Does...(OL)
 00:14:09.893 03 HERRERA: But I never knew him like that, eh...(UI)
 00:14:12.611 04 CHS: Has your homies already hit him up?
 00:14:14.579 05 HERRERA: No, not that I know of
 00:14:19.684 06 CHS: Do they at least have his name?
 00:14:21.504 07 HERRERA: Yeah, fuck yeah. (UI) it's just a matter of time,
 00:14:26.633 08 right now he's locked up, he's going to show up, eh.
 00:14:33.080 09 It's going to come out, if he did it, it's going to
 00:14:34.782 10 come out. And-and if he starts hiding and showing
 00:14:38.852 11 they'll come over. But honestly (UI) I don't think,
 00:14:47.831 12 I don't think he did. Because, he-he-he fucken, he-
 00:14:56.981 13 he wasn't (UI) he wasn't, it wasn't a planned out
 00:15:03.740 14 because he was there for the (UI)
 00:15:08.253 15 CHS: Like an accident
 00:15:10.016 16 HERRERA: And-and he was trying to get a ride with my mom, and
 00:15:13.186 17 Huero I guess said, fuck it, I'll just you a ride,
 00:15:16.187 18 so he gave him a ride, because he probably didn't
 00:15:18.178 19 want to ride with him, the car probably didn't have
 00:15:19.971 20 tags, and he had all kinds of weight on him, you
 00:15:25.372 21 know what I mean?
 00:15:26.197 22 CHS: Yeah
 00:15:27.811 23 HERRERA: But, what, I guess he was throwing up. But this is
 00:15:30.611 24 another thing, I know my brother, I think he was

00:15:34.875 25 forcing himself, these, I know him, because he's
 00:15:38.379 00014:01 like me, he started to getting a complejo, he's
 00:15:40.940 02 tweaking, he's sweating and then all the fucken
 00:15:43.724 03 familia is going over there punching it. Because
 00:15:47.203 04 Leanne just lost her aunty. I already know whose
 00:15:51.020 05 with him
 00:15:52.026 06 CHS: He used to like do soda, a lot?
 00:15:54.364 07 HERRERA: Huh?
 00:15:55.075 08 CHS: Did he do soda often?
 00:15:58.252 09 HERRERA: This is another thing that I found out. Speedy told
 00:16:01.340 10 me, fucken Frank, no
 00:16:03.683 11 CHS: Yeah
 00:16:04.772 12 HERRERA: He told me, serio Lazy, that Shorty took a lot of
 00:16:11.426 13 Xanax
 00:16:13.308 14 CHS: You know what?
 00:16:14.204 15 HERRERA: He told me too, he says...(OL)
 00:16:16.340 16 CHS: You know what that reminds me of? Toby Romero, he
 00:16:20.156 17 took a lot Xanax
 00:16:21.956 18 HERRERA: That's the most dangerous thing, eh
 00:16:23.900 19 CHS: And then
 00:16:24.881 20 HERRERA: See, and when I found out (UI) too, nah. And then,
 00:16:28.564 21 these are the homies, nah, youngsters from Burque, a
 00:16:32.115 22 youngster, a gangster from Westgate, he told me
 00:16:36.068 23 that-that rollo they were hearing on the streets and
 00:16:39.316 24 my homie Gerbil and them (UI) eh. Because I'm the
 00:16:46.183 25 one that buying it, all the little homies from
 00:16:48.878 00015:01 Burque, they're like fuck no, chale, something
 00:16:52.870 02 happened. Then all that rollo's getting served, then
 00:16:57.022 03 my mom's looking at me, like if I did something.
 00:16:59.965 04 Then they go and found supposedly, camarada fucken
 00:17:03.241 05 Danny, then all eyes were on me, eh. That's why I
 00:17:09.378 06 told my mom, fuck-fuck no
 00:17:12.738 07 CHS: Danny's a carnal
 00:17:14.258 08 HERRERA: Es que home, fucken saying it
 00:17:17.952 09 CHS: Whose name does he mention?
 00:17:19.408 10 HERRERA: Huh?
 00:17:20.330 11 CHS: Whose name does he mention?
 00:17:22.577 12 HERRERA: I don't know that fucker is just saying (UI) I
 00:17:25.314 13 haven't talked to him in years. I haven't seen that
 00:17:28.050 14 vato since we were kids
 00:17:29.777 15 CHS: He has to mention somebody
 00:17:31.626 16 HERRERA: I guess, I don't know, that fucker, that's just what
 00:17:35.256 17 uh Kasey was telling me, that Gino was telling. But
 00:17:41.634 18 I lied to Kasey about it, I told that fucker, to rap
 00:17:46.090 19 to my mom bro. Sit down with her and I told him, let
 00:17:51.169 20 me know if you think, if you see anything, like if
 00:17:54.810 21 you feel what you're hearing, with everything, you
 00:17:58.089 22 have the evidence, like when they fucken, when my
 00:18:00.185 23 mom fucken, records it all down for me, what she
 00:18:03.218 24 hears, like the rollo I'm telling you. That what-
 00:18:07.353 25 what is your gut feel would tell you. But my gut
 00:18:10.409 00016:01 feeling (UI), knowing my brother, then I start
 00:18:12.897 02 hearing all this other shit that he was talking
 00:18:14.977 03 about death, then I heard that he had a fucken,

00:18:17.690 04 supposedly, a fucken tumor in his head that they
 00:18:20.248 05 told him that it was just a matter of time...(OL)
 00:18:23.271 06 CHS: Hey...(OL)
 00:18:23.633 07 HERRERA: I tell my wife, well, then I keep getting messages
 00:18:27.650 08 back and forth with my fucken hyna burned too like
 00:18:30.730 09 fuck. So I (UI) you know what I mean? Then at that
 00:18:34.962 10 time we were still fighting with each other. But she
 00:18:39.377 11 stepped up and she gave me skina nah, she says to,
 00:18:44.305 12 herself, she told me she's not buying it, whatever
 00:18:48.122 13 she seen on that autopsy, she's not buying it.
 00:18:52.560 14 CHS: She said what?
 00:18:53.465 15 HERRERA: That she doesn't buy it. And I told her, why? Why?
 00:18:56.802 16 What makes you feel like that? She just like I just
 00:18:59.553 17 don't buy it. So then-then I fucken find out another
 00:19:03.473 18 thing, that my sister gave him fucken pills and I
 00:19:07.488 19 want to know what type of pills she gave him. But
 00:19:11.818 20 see now, Leanne's the one who knows all this rollo.
 00:19:15.585 21 So that's what my homie got out now (UI) that (UI)
 00:19:20.019 22 he on it, eh. That's his best fucken friend that's
 00:19:24.713 23 (UI) keep running. That's...(OL)
 00:19:32.333 24 CHS:Hold on, hold on. [Pause-background noises/voices].
 00:20:10.175 25 Hey, they're taking people to the yard now
 00:20:15.663 00017:01 HERRERA: Huh
 00:20:16.406 02 CHS:They're taking people to the yard, tomorrow, I'll
 00:20:18.342 03 get up and I'll uh
 00:20:20.456 04 HERRERA: (UI) down, you have to go, huh?
 00:20:26.294 05 CHS: Did you have it on?
 00:20:27.526 06 HERRERA: Yeah
 00:20:28.239 07 CHS: Were you at your door?
 00:20:29.239 08 HERRERA: Yeah
 00:20:30.832 09 CHS: Oh, yeah?
 00:20:32.350 10 HERRERA: You have to go?
 00:20:34.367 11 CHS: You have to go?
 00:20:35.825 12 HERRERA: Yeah
 00:20:36.712 13 CHS: Oh, you don't have to do nothing
 00:20:39.024 14 HERRERA: Well I know that, but (UI) [laughing]
 00:20:42.815 15 CHS: What are you talking about?
 00:20:44.283 16 HERRERA: You go now but see (UI) that fucker, that fucken,
 00:20:49.232 17 I'll end up having to argue with that fucker, eh
 00:20:51.196 18 CHS: Oh, yeah like-like when they act that they don't see
 00:20:53.822 19 you but the dude that used to live in there always
 00:20:56.005 20 used to go to the yard and uh, they didn't know he
 00:20:59.373 21 was gone and I'm pretty sure they marked you down.
 00:21:03.676 22 You see how early they mark you down before chow and
 00:21:05.877 23 shit, you have to be, they don't come in and say
 00:21:08.476 24 nothing you just have to hear them, you have to be
 00:21:11.238 25 waiting for uh, the-the-the windqw to open up there,
 00:21:15.965 00018:01 that's how they do it
 00:21:17.726 02 HERRERA: Yeah, but I don't know eh, I don't know dog, that's-
 00:21:19.757 03 that's just been bothering me like fuck eh, serio,
 00:21:23.229 04 that, he's death fucked me up bad, eh. That's just
 00:21:28.997 05 like fuck, you know what I mean? Not knowing, at

 00:21:42.892 10 didn't talk to your mom?
 00:21:44.701 11 HERRERA: That fucker didn't do shit, eh. He was supposed to

 01:21:48.968 06 HERRERA: Yeah, that fucker, charged him for that shit, nah?

 01:22:00.255 09 CHS: What's Trigger's name?
 01:22:02.101 10 HERRERA: Jason Wright

 01:22:18.510 17 CHS: That's all they need
 01:22:19.406 18 HERRERA: I know, but I know, but there's different stories to all
 01:22:22.551 19 that shit. He's saying that, then JR is over there rapping to,
 01:22:30.922 20 saying he's gonna recant his statement. Saying that he was just
 01:22:36.527 21 lying, that he didn't see nothing. That he just made up a bogus
 01:22:41.887 22 statement because he was mad at him. Because before that...(OL)
 01:22:46.703 00059:01 CHS: He was mad at who?
 01:22:48.070 02 HERRERA: JR
 01:22:49.460 03 CHS: That JR was mad at who?

- DISC 31023-31070.Redacted.Transcript of bod rec btwn CHS & C. Herrera(2-27-16 thru 4-28-16).0730_02

01:22:50.902 04 HERRERA: (UI)

01:22:51.543 05 CHS: JR was mad at who?

01:22:53.414 06 HERRERA: Uh, Trigger

01:22:57.562 07 CHS: Trigger's been around a while, que no?

01:22:59.438 08 HERRERA: Yeah

01:23:11.654 12 HERRERA: Huh?

01:23:14.703 13 CHS: That fucker's been a weirdo since a long time ago, act-acting

01:23:18.198 14 weird

01:23:19.960 15 HERRERA: I know. Fucker's a creep, eh. He's over there, he said,

01:23:29.031 16 well I guess JR rapped with lawyers, he was saying to his

01:23:33.470 17 lawyers that was just saying those lies because he was mad at

01:23:36.406 18 him. Because he had beat him up. Because Trigger had called his

01:23:42.734 19 Ruca, on the fucken phone. Then you have Red that, pretty much

01:23:54.030 20 fucken, saying now he didn't see nothing

01:24:00.438 21 CHS: How are they saying they didn't see nothing and at first they

01:24:02.831 22 are saying something?

01:24:04.203 23 HERRERA: Yeah, but, see now they're making, he's made I don't know

01:24:07.026 24 how many different statements. Both of them have, they have all

kinds

01:24:11.938 25 of different statements. They go and fucken change it up. But now

01:24:15.529 00060:01 that the Feds came, they went and changed it up

01:24:19.250 02 CHS: For the good or for the worse

01:24:21.114 03 HERRERA: Good

01:24:21.826 04 CHS: Huh?

01:24:22.306 05 HERRERA: That's good. They went and tried to say that-that a fucken

01:24:26.690 06 murder devised that was located in the fucken south was used nah?

01:24:36.634 07 But they fucken found that after, like fucken it wasn't something

01:24:42.226 08 that was new. They were just saying that. They were just one thaty

01:24:49.570 09 they fucken planted. I guess inside the (UI) in between the cell

01:24:56.963 10 I think, yeah. They changed it over there, they found have like

01:25:01.097 11 vents like these ones from the bottom they're not open no more,

01:25:05.075 12 you know what I mean? Like pull a (UI)

01:25:07.618 13 CHS: Yeah

01:25:08.403 14 HERRERA: Now they're just fucken holes in the bottom bed. So in

between those

01:25:11.518 15 two cells they found the fierro in there. It's a mess, eh

01:25:20.502 16 CHS: So they don't need no body

01:25:23.343 17 HERRERA: I already know

01:25:26.503 18 CHS: They don't

01:25:30.936 19 HERRERA: Then like little what's is name got tagged on that.

Because

01:25:34.750 20 they charged uh, little Conrad for beating for up, that-that old

man.

01:25:40.943 21 Okay, so than that's-that case. Then the other cases they have

Billy

01:25:49.286 22 I guess as person that called it, what I was hearing for a double

01:25:57.575 23 homicide that happened in Cruces and that's why they got little

Huero...(OL)

01:26:03.647 24 CHS: Like in 2001

01:26:04.813 25 HERRERA: Yeah, they got little Huero, and other fuckers, Critter

 01:26:11.110 03 HERRERA: And that-that's case...(OL)
 01:26:12.830 04 CHS: Any of them that they got on that? Are they making statements?
 01:26:16.407 05 HERRERA: I don't know. I don't know that, I don't know, I don't know
 about
 01:26:27.933 06 them. Like little Huero and Critter and other than the other vatos,
 01:26:34.479 07 I don't know. But as far as Cyclone yeah, yeah
